What's a 1440? It was one of the most common target rounds until about 10 years ago when it was largely replaced by the 720.

It consists of **144 arrows**, 6 ends of 6 at **4 distances**. The distances are the same for all bowstyles:

U21 and 21+ men: 90,70,50,30 m

U21, 21+ women, U18 and 50+ men: 70,60,50,30m

U18 and 50+ women: 60,50,40,30m

The first two longest distances are shot first, using a 122 cm target. The second two distances are using individual 6-ring 80cm targets for recurve and compound, 80cm full face target for barebow.

The only practice is before the first distance – you'll need to have your all sight marks already.

90 meters not available at your home range? Join us at Selvey Park **August 8th, Saturday, between 9 and 11:30, and we'll have a target set up to help you get that sight mark - Free to BC Archery members.**
